SCHOOL OF ENVIRONMENT, RESOURCES & DEVELOPMENT (SERD)

Since 1959, the Asian Institute of Technology (AIT) in Thailand has been one of Asia's leading higher learning institutes focusing on critical global issues through advanced higher education, research, capacity building and outreach.

SERD responds to regional needs by mobilizing and enhancing capacities for socially, economically, and environmentally sound development in partnerships with public and private sector enterprises.

OUR ADVANTAGES

- World-class, international faculty from 50+ countries
- Multicultural student body from 60+ countries
- Global network of 23,000+ AIT alumni
- Partnerships with organizations like the UN, ADB, ASEAN and the World Bank along with other national partners
- Over 500 ongoing sponsored research projects

FINANCIAL SUPPORT

- AIT offers a limited number of full and partial scholarships for its Masters and Doctoral programs on a highly competitive basis for those who can show proof of financial need.
- Royal Thai Government (RTG) Scholarships and Fellowships are also offered to qualified applicants from Thailand and RTG-supported Asian countries.

AVAILABLE FACILITIES

- Laboratory and Workshop Facilities
- 24 Hours Laboratory access
- Campus wide Wi-Fi
- State-of-art library
- Safe and environment friendly residential campus with dormitories, eateries, sports, and recreation facilities and medical services

DEPARTMENTS AND ACADEMIC PROGRAMS

Department of Food, Agriculture and Bioresources

- Agribusiness Management
- Agricultural Systems and Engineering
- Aquaculture and Aquatic Resources Management
- Food Engineering and Bioprocess Technology

Department of Energy, Environment and Climate Change

- Climate Change and Sustainable Development
- Energy
- Environmental Engineering and Management
- Energy Business Management
- Urban Water Engineering and Management

Department of Development and Sustainability

- Development and Sustainability**
- Disaster Preparedness, Mitigation and Management
- Gender and Development Studies
- Natural Resources Management
- Regional and Rural Development Planning
- Urban Environmental Management

** New academic Program will start in August 2019 Semester

Professional Masters (1 Year)

- Aquaculture Business Management
- Environmental Engineering and Management
- Urban Management

HOW TO APPLY?

APPLY NOW!

CENTERS:

- o Bangchak Initiative and Innovation Center
- o Ostrom Center
- o Aqua-Center

APPLY ONLINE:

www.ait.ac.th/admissions/application-form

For Admission details:

www.ait.ac.th/admissions

MASTER'S DEGREE PROGRAM

To be eligible for admission to the degree, a candidate should:

- o Have a strong undergraduate academic record (normally a four year degree) from an institution of recognized standing with excellent academic performance.

Documents to Submit online:

- o AIT application form
- o Two letters of recommendation
- o An official transcript of undergraduate degree
- o TOEFL (internet-based: 80; computer-based: 213; paper based: 550) / IELTS (6.0), AIT-English Test (6.0) or a certificate of English Proficiency.

Application Deadlines

August Semester:

- If requesting scholarship: **March 31**
- If not requesting scholarship: **June 15**

January Semester:

November 15

DOCTORAL DEGREE PROGRAM

To be eligible for admission to the degree, a candidate should:

- o Have a strong undergraduate academic record (normally a four year degree) and a Master's degree preferably with a combination of course and thesis work.

Documents to Submit online

- o AIT application form
- o Two letters of recommendation
- o An official transcript of undergraduate degree and Masters degree
- o TOEFL (internet-based: 80; computer-based: 213; paper based: 550) / IELTS (6.0), AIT-English Test (6.0) or a Certificate of English Proficiency.
- o A short (2-3 pages) outline of proposal research

DURATION AND COST PER PROGRAM

PROGRAM	Registration Fee @ 20,000 Baht/Semester	Tuition Fee @ 16,000 Baht/Credit	Total**
DOCTORAL PROGRAM 7 Semesters (84 Credits) 42 Months	140,000 Baht	1,344,000 Baht	1,484,000 Baht
