Dear Mr. Eric

Thank you so much for your remind email!

I was about to send you the transcripts for both students.

You will find them in the attached file.

I kindly ask you to let me know if you need further cooperation.

By the way, my staff picked up the students safely on their arrival date and they are staying dorm comfortably.

It seems studnets are smart and speak Korean quite well!

Once again, thank you so much for giving us the wonderful opportunity to have great students from your students!

I am sure that our Korean students will feel the same once they meet the students!
