

Surabaya, February 19th 2019

No : 167/INCHALL/IE FAIR/HMTI/II/2019
Enclosure : Module & Poster
Regarding : **Invitation to be the Participant of INCHALL 2019**

Dear Sir/Madam,

Warm greetings from Industrial Engineering Department - Institut Teknologi Sepuluh Nopember (ITS) Surabaya, an international reputation engineering institution. It is a pleasure to inform that we invite your high performing students to our annual competition, Industrial Challenge (INCHALL). It is a great opportunity to compete on international scaled event to apply their knowledge and insight of industrial engineering and management disciplines through all the stages.

INCHALL 2019 will be the 10th series of this event. The theme of INCHALL 2019 is "Lean Manufacturing to Achieve Cost Efficiency". This competition is open for undergraduate students from Industrial Engineering Department and other relevant fields.

INCHALL is hosted by Himpunan Mahasiswa Teknik Industri ITS Surabaya (Industrial Engineering Student Association). The schedule details of this event can be seen at the following:

Online Registration	: 14 th January 2019 – 28 th February 2019
Preliminary Stage	: 8 th – 12 th March 2019
Semifinalist Announcement	: 18 th March 2019
Semifinalist Re-registration	: 19 th March 2019 – 1 st April 2019
Semifinal & Final Stage	: 12 th – 16 th April 2019

We have enclosed a poster and module for further details of INCHALL 2019, the detail information can be accessed through www.iefairits.com/inchall. It would be our pleasure if your university interested to send their passionate students. We look forward to welcome your students at our campus. Thank you.

Sincerely,

Head of Industrial Engineering
