Dear Educational Advisor:

I am the secretary for the Intensive English Language Program located on the Central Connecticut State University campus. I would like to introduce your school to Central Connecticut State University's ESL program. We offer two eight week programs during the fall and spring. We also offer an eight week program during the summer. Please see the attached brochure and our website below for complete details of the program.

Sincerely,

Carmetta Williams, Secretary

Intensive English Language Program

Intensive English Language Program

*Central Connecticut State
University*

Perfectly located between New York City and Boston, CCSU gives students the opportunity to explore these vibrant cities!

Bringing different heritages together...*Intensive English*

Start from anywhere! Advance through six levels of instruction, 20 hours per week in the classroom, Language Lab and Resource Center. University Tutors, Conversation Partners and friendly staff are all here to help! Courses emphasize small group instruction with 21st century communication technology and real-world materials.

You're an individual who works at your own pace. At the IELP you can take as much time as you need or advance as quickly as you progress, even skipping levels, if you demonstrate the proficiency!

Advanced English

Whether you're preparing for Graduate School or wanting to refine your language skills for professional or social contexts, upgrade your skills and cultivate your fluency with the IELP.

Intensive English Lab

In this highly individualized course, achieve your language goals working at your own pace. The skill areas of listening, reading, vocabulary and grammar are emphasized.

U.S. Culture*

Discuss American culture and learn to express your opinions. Enjoy travel around the region!
*available as summer course only.

Test Preparation

Need help preparing for TOEFL or IELTS exams? This course helps you practice and improve your test taking skills.

The Intensive English Language Program fosters a spirit of **cultural understanding** and provides **opportunities** for students to learn to respect the customs and values of others, learning more about themselves in the process.

Diverse & Personal

Living abroad can be tough. That's why CCSU offers so many ways to... *Connect and feel at home.* At CCSU, IELP students have all the opportunities of campus life:

Sports

Gym

Art

Clubs

Concerts

Travel
