We are inviting you to nominate your students for next Summer term!

Once you have nominated the students, they will receive an e-mail with a nomination confirmation, as well as further instructions on how to apply.

Application Deadline for Summer term: **1 December**

Attached please find our brochure, fact sheet and check list also for your information.

The acceptance letters will be sent directly to the students by end of December.

If you have any questions concerning student exchange, please do not hesitate contacting us.

We are looking forward to hearing from you and welcoming your students next year.

Kind regards,

Kerstin

Ms. Kerstin Rosemann

---	---

### Scholarship

Are there any scholarship for exchange students?	<b>No</b>
--	-----------

# Check List for your Exchange Semester at

## Application ✓

Apply between 1 October and 1 December each year for the Summer term

Apply between 1 April and 1 June each year for the Winter term

## Admission ✓

Receive your acceptance letter by 15 June resp. December each year as scanned copy (originals are not necessary for visa application!)

## Apply for Visa ✓

Use your scanned acceptance letter in order to apply for the German visa if you are a non-EU resident (it can take up to 3 months to get your visa appointment and the International Office cannot speed up this process. )

Find more information also on the blocked account here on the website of Germany's Federal Foreign Office

<https://www.auswaertiges-amt.de/en/sperrkonto/388600>

---

## Accommodation ✓

You may request the International Office for support in finding accommodation. Students live in gender – mixed dormitories, in shared flats or in private accommodations. For short-stay students, we cannot fulfil all individual requests and wishes and once agreements were made by email, you cannot retreat from these agreements after your arrival. (This is like booking a hotel on vacation: you might always see something you like better when you are on place...) Here are your first contacts for you to request room advice:

Exchange in Detmold: [Maryse.niemeier@th-owl.de](mailto:Maryse.niemeier@th-owl.de)

Exchange in Lemgo: [a.meier@landesverband-lippe.de](mailto:a.meier@landesverband-lippe.de)

Master PEM 3<sup>rd</sup> semester: [ana.soria@th-owl.de](mailto:ana.soria@th-owl.de)

<https://www.th-owl.de/studium/studienstart/wohnen-in-owl/>

# Check List for your Exchange Semester at

## Apply for health insurance ✓

If you are a **Non-EU** citizen and **below 30** years old, you need to get health-insured mandatorily by a German state health insurance for students. The application for the same can be done here at TH OWL in Lemgo every Wednesday between 10.00 and 11.30 h in room 1.120 A. If you wish to apply for a German state health insurance from home and use it also for visa application, please contact our health insurance student counselor, Mr. Stefan Brand, Techniker Krankenkasse: [stefan.brand@tk.de](mailto:stefan.brand@tk.de) or visit the website of expatrio:

<https://www.expatrio.com/living-germany/cities/lemgo>

A German state health insurance for students costs around 90,00 € per month.

Foreign or private health insurances can only be accepted, if you present an official proof of being exempt from our German state health insurance.

For that matter, you can get your prioritized health insurance contract checked and verified by sending a copy to any German state health insurance company (TK, AOK, BEK, DAK, etc) and apply for getting exempt.

Private health insurances usually offer 3 different categories out of which the premium version is mostly considered equal into a German state health insurance. The cheaper versions such as **basic or comfort are very often not considered equal!**

---

You will need to present your confirmation of being exempt from a German state health insurance along with your enrolment documents to our registration office (Immatrikulationsamt).

# Check List for your Exchange Semester at

## Enrolment at TH OWL ✓

Your enrolment is handled **exclusively** by our “**Immatrikulationsamt**” on our Lemgo campus.  
Contact: [immatrikulationsamt@th-owl.de](mailto:immatrikulationsamt@th-owl.de)

Please follow this procedure:

1. Fill and return the attached document “Enrolment form”
2. Receive an email with your applicant’s number (Bewerber-Nr.) which includes our bank information for paying our semester social fees (currently 304,- €)
3. Transfer the fees
4. Send a copy of your bank transfer and proof of being health insured (see chapter health insurance) by email to: [michael.wilk@th-owl.de](mailto:michael.wilk@th-owl.de)
5. Receive SKIM’s email confirming that you are enrolled including a link to log in on our TH OWL intranet and for activating your campus card which can be used as a student ID, mensa and library card
6. Receive our email information on how to download and print your Ticket2Go which will serve as your semester ticket for free public transport for our state NRW.
7. Install eduroam with the assistance of our IT service point SKIM (available at every campus)

---

## Learning Agreements ✓

Meet your coordinator for discussing or mending your learning agreement at the exams office (Prüfungsamt) of your faculty. Changes in the learning agreement need to be signed by our exams office, the professor in charge of your home university and yourself! The I.O. is not involved.

## Check the schedule of your study program ✓

With your user name/password for intranet access you will be able to check all faculty information and your study schedule:

<https://www.th-owl.de/campusoffice/>

# Check List for your Exchange Semester at

## **City registration ✓**

Register at the town hall as a new resident of Lemgo or Detmold (also see page 6)  
You will need your passport and your rental contract and for this procedure!

## **Activate your Bank Account ✓**

Activate your bank account after your arrival. It will take some days until you can use your account.  
You will need your student ID card for this procedure.

## **Apply for your Electronic Residence Permit ✓**

Send an email request for an appointment to your local immigration service (Ausländerbehörde) within the first 3 months of your stay (contact see page 6)

## **Take advantage of our International Welcome Days ✓**

The International Office is looking forward to welcoming you at their kick-off program getting you in touch with all important players for international students inside and outside the university. Don't miss meeting us in person and get to know your senior students who will be able to provide you with inside information and connect you to people and places in Ostwestfalen – Lippe ☺

## **Welcome Day 2020: to be announced**

## How to apply

### Degree Seeking Students

#### European Union Members:

Applicants with a Secondary school degree from a European Union member country can apply through the university portal.

#### Deadlines Bachelor Degree:

- ▶ July 15th for the winter semester (September to February)
- ▶ January 15th for the summer semester (March to August)

#### Non-European Union Applicants:

If you are from a non - EU country, please apply via the *Uni-Assist* website. You will find the offers of the OWL university under the study location „Lemgo“.

All detailed information about the application procedure, required documents, deadlines, school and language requirements as well as internships that may be required can be found here.

#### Deadlines Bachelor Degree:

- ▶ June 15th for the study start in the winter semester
- ▶ December 15th for the study start in the summer semester

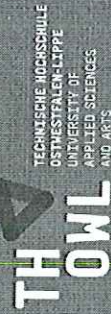

### Exchange Students

Exchange students can apply to complete a guest semester at TH OWL by visiting the International Office at their home university.

### International Office

Our International Office takes care of you every step of the way. They help you to plan your trip to Germany, to find the right accommodation, to enroll in your courses, and to manage all necessary formalities. They will ensure that you find your way around on campus and in town as well as introducing you to fellow students at welcome parties, city rallies and campus tours.

More helpful information for incoming students, details on scholarships as well as visa and insurance requirements can be found on our website: [www.th-owl.de/fo](http://www.th-owl.de/fo).

OWL UNIVERSITY AT A GLANCE

## Three campuses - one university

OWL University of Applied Sciences and Arts' goal is to tackle complex problems and global challenges and work to ensure that knowledge and innovations benefit society. We provide education and research in engineering, economics and management, life science technologies, design and construction. Almost 6,700 students, 171 professors and 460 employees are based at our campuses in Lemgo, Detmold and Höxter.

Each campus is characterized by its courses of study: Lemgo is home to the classic engineering disciplines, supplemented by one-of-a-kind courses such as Media Production, Wood Technology and Food Technology. Detmold focuses on disciplines involving construction and design. Höxter has made a name for itself as a campus dedicated to ecological aspects in engineering.

The university cooperates with nearly 100 partner universities in over 35 countries.

Stand 04/2019

## Explore and discover

▶ The neighboring districts of Lippe and Hoxter are part of the region Ostwestfalen-Lippe. They are situated in the center of Germany between the Teutoburg Forest, the Weser river and the Weser Hills. The city of Hanovert is 100 kilometers to the east and Cologne is 200 kilometres to the southwest of the university. The region invites students to take part in creative recreational activities, sports and culture.

Dating back to 1190, Lemgo is one of the oldest cities in this region of Germany. Almost 1,000 years of history blend together with modern knowledge and ideas. In Ostwestfalen-Lippe, you find the charm of small picturesque, cobble-stoned towns side by side with city attractions such as shopping, restaurants, nightlife and cultural events.

Strong technological and scientific medium-sized companies shape the industry. The university's excellent contacts to the local industry and businesses is the basis for innovative study programs and successful research collaborations.

Thanks to the excellent education of our graduates and the close industrial relations, Ostwestfalen-Lippe University of Applied Sciences has become an essential and indispensable part of the regional economy.

## Our degree programs and additional courses

DEGREE PROGRAMS	COOPERATIVE PHD PROGRAMS
<p>ADVANCED POWER TECHNOLOGY</p> <p>APPLIED COMPUTER SCIENCE</p> <p>ARCHITECTURE* (FULL-TIME / PART-TIME)</p> <p>INDUSTRIAL BIOTECHNOLOGY</p> <p>BUSINESS ADMINISTRATION*</p> <p>CIVIL ENGINEERING*</p> <p>COMPUTER ENGINEERING*</p> <p>COSMETICS AND DETERGENTS TECHNOLOGY</p> <p>DATA SCIENCE</p> <p>ELECTRICAL ENGINEERING</p> <p>ENERGY MANAGEMENT AND CLIMATE PROTECTION TECHNOLOGY</p> <p>ENVIRONMENTAL ENGINEERING</p> <p>FOOD TECHNOLOGY*</p> <p>FUTURE ENERGY</p> <p>INDUSTRIAL CONSTRUCTION ENGINEERING</p> <p>INDUSTRIAL ENGINEERING*</p> <p>INDUSTRIAL PRODUCTION OF FOOD &amp; ORGANIC FOOD** (DOUBLE DEGREE) FR</p> <p>INTERIOR DESIGN* (FULL-TIME / PART-TIME)</p> <p>INTERNATIONAL LOGISTICS*</p> <p>LANDSCAPE ARCHITECTURE</p> <p>LANDSCAPING AND GREEN SPACE MANAGEMENT*</p> <p>MECHANICAL ENGINEERING*</p> <p>MECHATRONICS*</p> <p>MEDIA PRODUCTION*</p> <p>MEDICAL AND HEALTH TECHNOLOGY*</p> <p>OPEN SPACE MANAGEMENT</p> <p>PRECISION FARMING</p> <p>PRODUCTION ENGINEERING*</p> <p>TEACHER TRAINING FOOD TECHNOLOGY, NUTRITIONAL &amp; DOMESTIC SCIENCE</p>	<p>COOPERATIVE PHD PROGRAMS</p> <p>COOPERATIVE PHD PROGRAMS ARE OFFERED IN EACH OF OUR 10 DEPARTMENTS:</p> <p>LANGUAGE COURSES</p> <p>* Dual study programs ** Language: Italian, French, German All courses are taught in German unless otherwise stated</p>

## Be prepared

▶ Study programs at OWL University of Applied Sciences and Arts prepare students for regional, national and international careers. Practical orientation is the hallmark of studying at universities of applied sciences. At OWL University, scientific knowledge and methods are conveyed and applied in the numerous well-equipped labs. Thanks to our close cooperation with the industry, it is common for our students to carry out work placements and prepare their thesis in companies. Studies are rounded off by practical semesters.

We offer a variety of extra-curriculum courses: language courses, presentation techniques, using different types of media, conflict management, and many others.

## Dual study programs

▶ In collaboration with the industry, students enrolled in a dual study program attend classes four days a week and spend the fifth day gaining practical experience within a partner company.

## Cooperative PhD

▶ Young researchers can do a cooperative doctorate in the various departments of the university within small or large research groups. They will be supervised by research-active professors of the university of applied science in cooperation with a German or a foreign university, as well as getting organisational support by the OWL Graduate Center.

## Facts and figures

- ▶ 6,700 students
- ▶ 171 professors
- ▶ more than 460 teaching and administrative staff
- ▶ 76 laboratories
- ▶ around 46 million euro budget in 2015 (including third-party funds)

## Departments of OWL University

- Department of Architecture and Interior Architecture
- Department of Media Production
- Department of Civil Engineering
- Department of Life Science Technologies
- Department of Electrical Engineering and Computer Science
- Department of Machine Technology and Mechatronics
- Department of Production and Economics
- Department of Business Administration
- Department of Environmental Engineering and Applied Computer Science
- Department of Landscape Architecture and Environmental Planning
