Subject: Partnership Offer for Student Excursion Program in Yogyakarta Indonesia

To: naresuan <naresuan@nu.ac.th>, International <international@nu.ac.th>

Dear Program Coordinator

Warm Greetings from Travelxism

I hope this email finds you well. We are a start-up that supports sustainable tourism with local, social, and cultural preservation approach through consultant services, media, and tour. TRAVELXISM also focuses on delivering research of innovative tourism potentials, developing tourism communities, running workshops and trainings related to tourism, digitalising destinations, and branding. Our partners include local and international organisations, NGOs, tourism communities, tour agents, corporate CSRs, local and national government in Indonesia.

Through this email, TRAVELXISM would like to propose to build a partnership with the university through the program called "TRAVELXISM Yogyakarta Heritage and Cultural Excursion Program. This 6-day 5-night program includes cultural excursion, learning Indonesian language, and cultural workshops in Yogyakarta, Indonesia. Also, this program is run by our experienced team managing similar excursion and summer programs in Yogyakarta, so this will give your students the best experience with local people and learning local culture.

Please find attached the proposal and one of the examples of detail itinerary information about this program.

If you have any questions, please do not hesitate to contact us. We are also very open and flexible with our offer to meet your need/requests/inquiries.

Thank you very much for your attention, and we are looking forward to hearing from you soon.

Best regards

Yogyakarta, 14 Februari 2020

Partnership Program Offer between Travelxism and Naresuan University

Dear The Program Coordinator

Brief Profile of TRAVELXISM

We are a start-up that support sustainable tourism with local, social, and cultural preservation approach through consultant services, media and tour. TRAVELXISM also focuses on delivering research of innovative tourism potentials, developing tourism communities, running workshops and trainings related to tourism, digitalising destinations, and branding. Our partners include local and international organisations, universities, NGOs, tourism communities, tour agents, corporate CSRs, local and national government.

Background

University is an organization that has very compact academic and educational activities. Therefore, TRAVELXISM is willing to build partnerships with universities in supporting their educational and academic mission through our services that relies on sustainable tourism aspects to promote and preserve culture, nature and local people.

Based in Yogyakarta, Indonesia, a city with a very strong local Javanese culture, we expect to support universities in arranging academic visits and tours and other educational activities based on the inquiries for the students to experience local culture and Indonesian language in Yogyakarta. This experience will allow university students learn not only Indonesian language, but also local culture in one of the cities in Indonesia, Yogyakarta. This experience will also allow students to enrich their knowledge about Indonesia and open their horizon about Indonesia.

Therefore, through this proposal, TRAVELXISM would like to propose to build a partnership with the university through the programs we propose. The programs will include cultural excursion, learning Indonesia, summer program, and educational visit/study visit.
